Me and my family

My name is Gareth Ng. I am seven years old. I am in primary 2. I love to play football and watch movie. I live in Wan Chai with my parents. I come school by school bus. Sometimes my mom picks me up at school.

I have no brothers or sisters. So that's why sometimes I need to go out to play with my friends. Both my mom and my dad are office workers. They come home during dinner time and we eat together. After dinner, we have family bonding.

I love my family.
