

Hennessy Road Government Primary School (Causeway Bay)
2021-2022 1st Term Writing (1)

2G (2) Quinlan Chan

My School

My name is Quinlan. I am a primary school student. Let me introduce my lovely school to you.

There are three blocks in my school. They are block A, B and C. My classroom is on the second floor in block A. The hall and the library are on the ground floor in block A. I go to the playground for recess. The playground and the music room are on the third floor in block B. Mostly I go to the music room for my music lesson after recess. In block C, there is the staff room on the first floor. The computer room is on the fourth floor where I can learn computer knowledge. The toilets are on the fifth floor.

I do enjoy my school life in my school because my classmates and the teachers are so nice. I find there a lot of fun.
