Dear Helen,

No problem! Making Grilled Ham and Cheese Sandwich is easy! You need two slices of bread, a slice of ham, a slice of cheese and some butter.

First spread the butter on one side of each slice of bread. Then preheat a non-stick pan. Once the pan is hot, put the first slice of bread, butter side down into the pan. Then put a slice of cheese and a slice of ham on the bread. Put the second slice of bread on top with the buttered side up. Next cook the bottom slice of bread for three to four minutes until it's golden brown on the outside. Next flip the sandwich and cook the other side for two to three minutes. Finally cut the sandwich into two triangles. It tastes mouth-watering. I hope you like it.

Love,

Josh
