Hi Franklin,

Nice to meet you! I hope to be your pen pal because I read your poem 'Friends around the World!' website.

My name is Adan Cheung. I am a boy. I am nine years old and my birthday is on the 28th February, 2012. I live in Olympian City. I do not have any brothers or sisters but I enjoy living with my mum and dad.

I am 134cm tall and weigh 30 kg. I have long legs and I am in a good shape. I wear gray glasses too. Moreover, I have a friend. His name is Adan Pang. We are the same age. I am thinner and taller than him. My glasses are more beautiful than his. I think I am more handsome and smarter than him, ain't I? I am kidding. We are both the most intelligent and funniest boys in our class.

I have lots of hobbies, such as playing the flute and playing tennis. I often play the flute after doing my homework by myself at home. I usually play songs written by Bach, and I sometimes play tennis with my tennis coach on the tennis court in the afternoon. I also like reading novels too. I usually read the novel series 'The Famous Five'.

Thank you for reading my email and I hope to be your penpal. May you please introduce yourself and send me a photo of your family? I am looking forward to hearing from you.

Best wishes,
Adan Cheung
