Subject: Nice to meet you

Hi Franklin,

I want to be your pen friend! My name is Hugo. I am a boy. I am nine years old, and I live in Shek Mun. My birthday is in May, and I have a brother.

I am 136 cm tall so I'm taller than my friend, Aiden. I am 25 kg so I am lighter than him. I have short hair but my hair is longer than his.

I like sports. My hobbies are playing football and playing badminton. I often play football with my other friend, sky, on the playground on Saturdays, and I always play badminton with my brother on the playground on Sundays too.

How about you? Please tell me more about yourself!

Cheers,
Hugo
