**Advice for good manners**

It is important to behave well at school and at the MTR station.

Firstly, we should have good manners at school. We shouldn't talk in class because it is not allowed. We should listen to the teacher carefully. We shouldn't go to school late. We should arrive early. Arrive school earlier is a good example about good manners. If we talk in class, we couldn't listen clearly about what is the teacher talking. So we shouldn't talk in class.

Then, when we are in public places, we should not behave badly either. We should not talk loudly on the phone at the MTR station. We should talk softly on the phone at the MTR station because we will disturb others if we talk loudly on the phone. We should not eat or drink on the train because it is not allowed. We should wait patiently at the platform too.

To sum up, we should behave well both at school and at the MTR station.
