----------------------	---

From the poem, 'I'm so Sorry', Mary was mad with her brother because he didn't help with the washing up. Have you ever argued with your family member? How did you solve the problem? Illustrate that specific incident in the box below and briefly describe the cause of the argument, the solution and what you can do to prevent it from happening again.

I have a little sister called Sue. She likes taking others people things without asking others. Yesterday, she takes away my favorite toys! I was mad. I shout at her and she cried. I gave her some chocolate to make her happy. At last we promise to share things with each other and do not shout at each other.
