Learning Objectives:	1. to instil positive values and attitudes of being a good citizen through reading the magazine article 'Aid Workers' Stories' 2. to cultivate the ability to reflect 2. to learn to be a caring and empathetic person
----------------------	--

From the magazine article 'Aid Workers' Stories', we learnt that Kaisong lived a hard life. What do you think of Kaisong? What can you do to help the poor in Hong Kong? Please write and draw a picture to illustrate your ideas.

I feel sorry for Kaisong and her family. I can't imagine eating beetles and frogs. How disgusting they are! I was shocked when I read the story. We should help the poor! We can participate in charity work like ^{selling} sell or ^{buying} buy flags and raffle tickets, ^{going} go on a charity walk, or even ^{donating} donate money! Charity work is not only for adults, but also children! I am going to donate money right now.
