|----------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Learning Objectives: | 1. to instill positive values and attitudes of being a good citizen through reading the magazine article 'Aid Workers' Stories' 2. to cultivate the ability to reflect 3. to learn to be a caring and empathetic person |
|----------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

From the magazine article 'Aid Workers' Stories', we learnt that Kaisong lived a hard life. What do you think of Kaisong? What can you do to help the poor in Hong Kong? Please write and draw a picture to illustrate your ideas.

I think Kaisong is very unfortunate as his living conditions are terrible, their family is poor and cannot afford any food. To help the poor in Hong Kong, we can donate money, food and clothes to charities that are currently active in Kaisong's area.

Self-evaluation Checklist ☺

How well do you understand the values and attitudes after this reading activity?

- | | | |
|----------------------------------------------------------------------------------------------|-------------------------------------------|-----------------------------------|
| 1. I think the reading activity is related to the core positive values – empathy and caring. | <input checked="" type="checkbox"/> Agree | <input type="checkbox"/> Disagree |
