Learning Objectives:	1. to instil positive values and attitudes of being a good citizen through reading the magazine article 'Aid Workers' Stories' 2. to cultivate the ability to reflect 2. to learn to be a caring and empathetic person
----------------------	--

From the magazine article 'Aid Workers' Stories', we learnt that Kaisong lived a hard life. What do you think of Kaisong? What can you do to help the poor in Hong Kong? Please write and draw a picture to illustrate your ideas.

I think Kaisong is brave and strong as even she doesn't have enough food and medicine to make her survival, she never gives up.

If I need to help the poor in Hong Kong, I will donate food and money to support them. I will also teach them some ways to improve their lives.
