----------------------	--

From the magazine article 'Aid Workers' Stories', we learnt that Kaisong lived a hard life. What do you think of Kaisong? What can you do to help the poor in Hong Kong? Please write and draw a picture to illustrate your ideas.

To help the poor in Hong Kong, I'll give them food, I will also give them cardboard and some basic furniture so that they can build a simple house as a shelter. I will teach them different skills to go to work to make money. Then, I will teach them how to manage money. Through these means, I am confident that the poor can have a normal life again.
