From the magazine article 'Aid Workers' Stories', we learnt that Kaisong lived a hard life. What do you think of Kaisong? What can you do to help the poor in Hong Kong? Please write and draw a picture to illustrate your ideas.

We can donate money, clothes, food OR blood for the poor in Hong Kong. They can rent a house to live or buy some new clothes so that they can have a new shirt to interview a job to earn money. They will be warm in winter if they have more clothes to wear. Some people in Hong Kong need blood because they lost some of them from an accident. If they have enough blood, they can stay alive.
