Hi Nate,

How are you? I want to invite you and your family to our picnic this Saturday at Victoria Park. The weather is beautiful. We can go there by bus. Let's go!

We can have different activities there. I like flying kites, playing chess and cycling. My mum likes taking photos of plants and butterflies. How about you? Shall we play hide-and-seek? It is so much fun!

There is a big tree in the park. We can take a rest under it. I will pack a picnic basket. We will bring sandwiches, fruits, chicken wings and coconut juice. They are delicious. Do you like them? I look forward to the picnic. I hope you can join us. Write back soon!

Yours,

Kelly
