Hi Sophia,

How are you? I want to go on a picnic in Tseung Kwan O. I want to go on Saturday, shall we go together?

I will go with my Mum, Dad and my brother. I will bring some mangoes, apples, oranges, hot dogs and bananas. Shall we bring some sandwiches? Let's go there and fly a kite, skip, play football, play hide-and-seek, run and for sure we will take some photographs.

In the end, when we finish our picnic, can you go to my house and play the big castle that my dad bought for me?

**I know you love to eat food, you can go to my house and eat something. I hope to see you very soon!
Reply soon.**

**Yours,
Kelly**
