Sam and his Mother

Every day, Mom is busy. She has a lot of housework to do. She hangs up the washing, sweeps the floor and water the plants. Sam is lazy. He is untidy. He watches TV every day.

One day morning, Sam saw that his Mom was not in the living room. So Sam went into his Mom's bedroom and saw her lying on the bed. 'Mom, are you not feeling well?' Sam asked worriedly. 'Yes, I am sick. I can't take care of you today,' answers Mom. Sam felt very sad. He told Mom to take a rest, drink more water and take medicine on time. Sam came out of the bedroom and saw that the living room was messy.

Then he did not watch TV anymore and began to do housework. First, he hung up the laundry, picked up the books from the couch and toys from the floor, and then moved on cleaning and mopping. Sam finally cleaned up the living room. He was so happy! Later, Mom came out of her bedroom and saw that the living room was very clean. She was surprised to find Sam sensible. She felt very gratified.
