Sam is not a lazy boy

Sam's mother always sweeps the floor, hangs up the washing and waters the plants. But Sam is lazy. 'Sam, can you help me do the housework?' asks Sam's mother. 'No,' answers Sam. 'Why?' asks Sam's mother. 'I'm watching TV,' replies Sam.

One day, Sam's mother is sick. She has a temperature. Their home is messy. There are many toys and rubbish on the floor. Sam is sad. He does not know what he is going to do. 'What can I do for you?' asks Sam. 'Please do all the housework in the living room,' says Sam's mother.

Sam tries to do the housework. Luckily, he can do all the housework. And they are feeling happy now.

Now Sam is not a lazy boy anymore.
