Dear Helen,

No problem! Making a ham, tomato and lettuce sandwich is easy! You need two slices of bread, a slice of ham, a slice of tomato, a piece of lettuce and some jam.

First take two slices of bread. Then put some oil into a pan and fry the ham. Put a slice of bread on the plate. The jam is sweet. Put some jam on it. Cut the tomato into slices. The tomato is a bit sour. Put one or two slices of tomatoes on the bread. Then put the ham and lettuce on the bread. Put another bread on the top.

It tastes very yummy. I hope you enjoy this sandwich at the school party.

Love,

Josh
