A Present For Sally

Today is Sally's birthday. Billy is here brother and he wants to buy a present for her.

He goes to a toy shop to find a birthday present for Sally. He sees a robot and loves it very much so he buys it.

On the way home, he forgets to buy a doll but it's too late because he already arrived home.

When Sally knows Billy didn't buy any present for her, she feels very sad. Billy apologies for his mistake. Then he makes a doll by sewing cotton and clothes together. Sally feels happy.
