Dear Helen,

No problem! Making a delicious ham and cheese sandwich is easy. You need two slices of bread, cheese, ham, a tomato, a pickle, an egg and some salad dressing.

First boil the egg for five minutes. Cut it into slices. Then wash the tomato and pickle. Cut them into slices. Then take a slice of bread. Put the pickle, cheese, ham, tomato and boiled egg on the bread. Then add some salad dressing on the boiled egg. Cut the sandwich into half. Sit down and enjoy it.

Delicious Ham and Cheese Sandwich tastes very yummy. I hope you enjoy the sandwich.

Love,

Josh
