To the park

Today I go to the park with my friend, Wudo. It is in North Point. We go there by MTR. We can see a tree, some flowers, a bench and a fountain.

I bring some toys there. One is my doll. She is Dodo. Her dress is red and her boots are blue. Another one is my teddy bear. She is Momo. Her T-shirt is green and her shorts are yellow. Suddenly, I lose my doll in the park. I feel sad. I cry.

In the end, I wait for some time because I don't know what to do. Then a boy comes to the park. He sees a doll on the grass. He asks, 'Is that your doll?' I say, 'Yes! Thank you very much!' I go home happily and I am glad.
