A Day in Happy Zoo

Today is my mom's birthday. I go to the Happy Zoo with my mom and dad.

I can see many animals. There are twelve kangaroos. They are brown. They have small eyes. They are on the grass. There are two elephants. They are grey. They have a long nose. They are in the pond. There are two monkeys. They are in the tree. They are brown.

I like to the Happy Zoo because it is a good place. I feel very happy!
