2022-2023 1st Term Writing (2)

1S (13) Lo Hau Yat

This is my classroom. I do homework. I look at the blackboard. I look at the teacher. I sit properly. I don't talk in class. I don't play with my scissors. I don't look at the window. I don't run in the classroom.

This is my school bag. I have one water bottle. I have one pencil case. I have some books. I have one raincoat and one packet of wet tissue too.

I love my classroom and I like my school bag.
