✧ **My Favourite Classmate** ✧

Marcus is my classmate. He sits next to Leo. He is tall and thin. His eyes are big. He has short hair. He looks nice, kind, caring, handsome, friendly, helpful and clever.

Marcus is kind. He always plays with me. I like playing with him. He is clever. He always gets full marks. He teaches me homework.

Marcus is good at running and doing homework. His favourite subject is P.E. When he is free, he does homework with me. He has running classes on Sundays.

I am glad Marcus is my classmate.
