In the Supermarket

In the morning, Tiara and Danny were buying food and drinks at the supermarket. Tiara took a bottle of coke, but Danny pushed it. Then it was broken but no staff came to clean it. When Sam was walking and playing electronic games, he fell down after stepping onto the broken bottle.

‘Ah!’ Sam yelled suddenly. ‘What is happening?’ Danny asked. Sam was hurt by glass shards. Everyone in the supermarket was very afraid. When Sam was crying, Danny called the staff for help quickly.

Danny saw Sam yelling painfully, so he called the ambulance. Five minutes later, the ambulance arrived. The nurse helped him to wash and wrap the wound. When he was going back home, Tiara and Danny said, ‘Sorry, Sam.’ He forgave them.
