✧ **To be honest or not to be** ✧

Someone said, ‘Nothing in this world is harder than speaking the truth’. I think it is totally true. Let me tell you a story.

Once upon a time there was a fairy called Mary. She was a liar. She had a friend called John. She lied John and got all his money. John hated Mary so he wanted to take a revenge on him.

One day when Mary was sleeping in her bedroom, John flew into her house. He drained away Mary’s memory. A while later, Mary woke up and saw John. She did not remember who John was. John told her what he did when she was sleeping. Mary felt sorry and apologized quickly.

Finally John forgave Mary and they became friends again. They were on cloud nine. This story taught us to be honest and we should not tell lies.
