This is my classroom. There are things that I do and don't do. I sit properly. I also raise my hand when I have a question. I keep quiet and hand in my homework on time. I don't laugh at people. Also I don't run around or jump around. Besides, I will not be naughty.

This is my school bag. I bring many things to school. I have four pencils and one eraser. Also, I have seven textbooks and five exercise books. Besides, I have three files for Chinese, English and General Studies worksheets.

I love my classroom at Hennessy Road Government Primary School (Causeway Bay) and I like my school bag.
