My School

My name is Aiden Chung. The name of my school is Hennessy Road Government Primary School (Causeway Bay). It is in Causeway Bay.

There are many places that I like at school. The first place is the playground. It is on the ground floor of Block B. We mustn't spit and we must keep the playground clean. The second place that I like is the library. It is on the ground floor of Block A. We must keep quiet and we mustn't damage the books. The third location I like is the computer room. It is on the fourth floor of Block C. We must listen to the teachers and we mustn't use the computers without permission.

I like my school because it is fun.
