My School

Hello! My name is Charis Lam. The name of my school is Hennessy Road Government Primary School (Causeway Bay).

There are three places that I like at school. The first place is the library. It is on the fourth floor in Block A. We must keep quiet in the library. I like the library because I like reading. Reading makes me smarter. The second place is the computer room. It is on the third floor in Block C. We mustn't eat at there. I like the computer room because I like playing the computer games. The third place I like is the medical room because if we get sick or hurt, the teachers in the medical room will help us feel better. But we mustn't run there.

I like my school because I like learning new things.
