How to make a sandwich

Dear Helen,

No problem! Making a ham and cheese sandwich with salad dressing is easy! You need two slices of bread, a slice of cheese, some salad dressing and a slice of ham.

First take a slice of bread and cut it into two triangles.

Then fry the ham in the pan.

Put the ham and cheese on the bread.

Put a slice of triangular bread on the top.

Put the sandwich in the oven.

Bake it for five minutes. Do not burn it.

Then put some butter on the sandwich.

I hope you and your classmates would like this sandwich. Enjoy your party.

Write soon.

Love,

Josh
