Billy's embarrassing experience

Today is Billy's sister's Sally's birthday. It is seven o'clock in the morning. Billy wants to buy a doll for Sally for a surprise.

He goes to a toy shop. He sees a robot which he always wants to buy. He is shocked. He buys the robot but forgets to buy a doll! On the way home, he thinks he forgets something. 'Do I forget to buy something?' asks Billy. 'Oh no! I forget to buy a doll!' Billy feels embarrassed.

Billy runs back to the toy shop after lunch. He returns the robot first to the shopkeeper. Then he buys a doll for sixty dollars. Finally, Billy returns home at eight o'clock. He gives the doll to his sister and says 'Happy Birthday' to her. They are happy.
