In the supermarket

In the morning, Mary and Danny went to the supermarket. They wanted to buy some food and drinks. When they went to the supermarket, they fell down because of the wet floor. ‘Oh my god! The floor is wet!’ screamed Mary.

So Mary and Danny walked slowly and carefully. They wanted to take a box of eggs but they broke all the eggs. The staff stared at them. They said ‘sorry’ to the staff.

When they went to the checkout, a thief took away their bags and wallets. They thought today was a terrible day!
