An Unforgettable Shopping

Today, May and Danny went to Happy Supermarket to buy some food because tomorrow will be their school picnic.

When they went into the supermarket, May asked, ‘What should we buy?’ ‘We should buy some jam and bread to make toast!’ Danny replied. May thought that Juicy Jam and Tasty Jam were cheaper. So they bought the two jars of jam. Next, they went to choose some bread. Danny said, ‘Healthy Bread is the cheapest bread. It is also healthier than Yummy Bread. Let’s buy two loaves of bread.’ Also, they bought a packet of Yummy Potato Chips. They went to the cashier to pay for their food.

While Danny was paying the money, May saw a man acting suspiciously. Suddenly he put his hand into an old lady’s bag and took her wallet. She was shocked. ‘Stop that thief!’ she shouted at the top of her voice.

At this moment, two brave security guards came and caught the thief. Everyone breathed a sigh of relief.
