Dear Principal,

We are writing because the Student Union would like to help Hong Kong Red Cross to raise money for village schools as well as poor and sick people in China. We think our ideas will help solve some problems for the people there.

Some schools are too cold in winter and too hot in summer because there are no heaters or fans. Also, the children do not have enough stationery and books because they are too poor. Moreover, there are a lot of sick people because there are not enough doctors and medicine.

We want to collect stationery and books and send them to the schools. We would also like to go on a charity walk to raise money for the poor and sick people.

We hope you will be able to help us organize the charity events.

Yours sincerely,

Xavier Lee

Chairman of the Student Union
