

Hennessy Road Government Primary School (Causeway Bay)
2023-2024 1st Term Writing (2)

6H (10) Foong Kaitlyn Oi Ching

8th November, 2023

Dear Principal Lo,

We are writing because the Student Union would like to help World Wild Fund to raise money for the sea animals. We think our ideas will help solve some problems for the wild animals.

First of all, sea animals' living habitats are greatly affected because people throw rubbish into the sea. What is more, they can't find food for themselves because people catch too many sea animals which are their food. Besides, ferries and ships spill oil into the water and causes water pollution so sea animals may easily get sick.

As you can see, all of the problems are caused by human activities so we would like to make posters to stick on the noticeboard. On the posters, we will tell our schoolmates how to help the sea animals at school and at home. We would also like to hold a sponsor walk to raise money to help the animals. We hope we can raise about eighteen thousand dollars in the sponsor walk.

We hope you will be able to help us organize the charity events.

Yours sincerely,

Kaitlyn Foong

Chairperson of the Student Union
