Dear Principal,

We are writing because the Student Union would like to help Africa Lives Foundation to raise money for poor people in Africa. We think our ideas will help solve some problems for the poor people there.

Schools in Africa are too cold in winter and too hot in summer because there are no heaters or fans. There are a lot of sick people in Africa because there are not enough doctors or medicine. There is also very little food because the soil is too dry and so there are very few animals or rice fields.

We want to collect old books, toys and clothes. We also plan to make cards, cookies, cakes and bookmarks to sell in a charity stall. Besides, we would like to organize a magic show with volunteers singing songs and dancing as well.

We hope you will be able to help us organize the charity events.

Yours sincerely,

Isaac Tso

Chairman of the Student Union
