Once upon a time, John is playing football happily. He kicks the ball very hard, and it goes high and very far. The ball breaks into a very "old" house through the glass of the window.

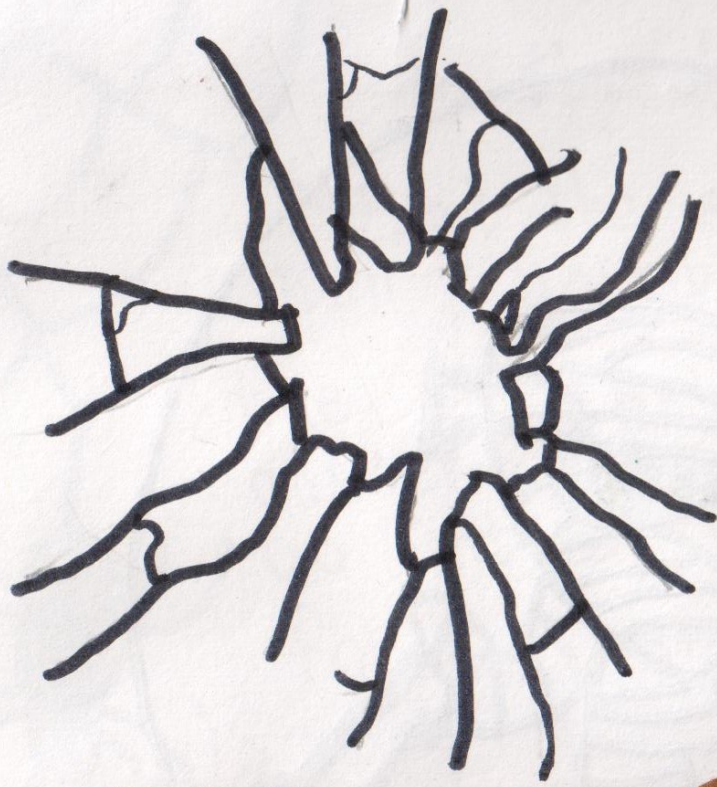

When John comes close to the old house, he sees that the entrance door is open slightly. He knocks on the door, but there is no answer. Then, he decides to go into the house and look for his football. The house is very dark and dusty with spider nets on the ceiling.

There is a big  
wooden box in the middle  
of the sitting room. There  
are some bandages coming  
out from the wooden box.  
John thinks that it  
might be a mummy  
inside. He is very scared.

After that, John keeps searching his football. There is a very big and tall refrigerator in the kitchen. John thinks that it might be a vampire inside.

"Oh my God!", he says to himself that he has to leave this scary house as soon as he finds his football.

A few moment later, John finally finds his football but there is a sound coming from the entrance door. He can see a white

hairy claw with a big shadow stepping in. Is it the snowy wolf with big sharp teeth? he gasps. He is now so frightened that he cannot move.
