A Day at Sha Tin New Town Plaza

It is Sunday afternoon. My sister, Emiry and I want to buy our mother a present because Mother's Day is coming. My sister asks, 'Where do you want to go?' I answer, 'Let's go to Sha Tin New Town Plaza. I want to go to a florist shop because I want to buy a bouquet of roses.' Emiry says, 'Good idea!' Then we go to Sha Tin New Town Plaza.

We go to the Beautiful Flower Shop there and buy a bouquet of roses. They are ninety-nine dollars. It is a special gift for my mother. After that we are hungry. We go to the Yummy Café. I order a cup of hot lemon tea and a slice of pizza. My sister orders three slices of pizza, two cans of cola and four packets of French fries. The food and drinks are fantastic and yummy! We enjoy our lunch very much. We feel exhausted but happy.
