A Day at Sogo Department Store

It is Sunday. My brother Tom and I want to buy our mother's birthday. My brother asks, 'Where do you want to go?' I answer, 'Let's go to Sogo Department Store.' I want to the pet shop. I want to buy Mum a puppy. My brother says, 'Good idea!' Then we go to Sogo Department Store.

We go to Happy Pet Shop there and buy Mum's favourite puppy. It is one hundred dollars. It is a special gift for my mother. After that we are very hungry. We go to the ice cream parlor. I order a cup of chocolate ice cream. My brother orders a cup of strawberry ice cream. The food is good. We enjoy our teatime very much. We feel happy and excited.
