Hi Nancy,

No problem! Making Yummy Open Sandwich is easy! You need a slice of bread, some cheese, some ham, a tomato, four mushrooms, some onions and a sausage.

First wash the tomato under running water. Then cut the tomato into four pieces. Put them on the bread. Then put four mushrooms and a sausage on the bread. Then cut the cheese, ham and onions into small pieces. Put them on the bread. Put the bread into the oven. Take it out after five minutes.

Yummy Open Sandwich tastes delicious.

Enjoy!

Aunt Betty
