Hi Nancy,

No problem! Making Super Spicy Open Sandwich is easy! You need a slice of bread, two slices of ham, two cherry tomatoes, some butter, a slice of cheese, some pepper, twenty chillies, some hot sauce and an egg.

First wash the cherry tomatoes. Then cut the ham into small pieces. Then put them into a bowl. Add some butter and pepper. Mix them together. Then put the mixture on the bread first and put the cheese on top. Then put twenty chillies on the bread. Then cut the cherry tomatoes into shreds. Put them on the bread. Then crack the egg onto the bread. Finally put some hot sauce on it. Put it into an oven for three minutes. Now you can enjoy your Super Spicy Open Sandwich with a glass of lemonade.

Super Spicy Open Sandwich tastes spicy.

Enjoy!
