Subject: Hello!

Hello Franklin,

My name is Isabel, I am 9 years old. My birthday is on the 31st of October. I live in Wan Chai.

I have small eyes and ears, I have very long hair, legs and arms. I am taller than my little sister. My dad is the tallest in the family. I am sadly the shortest in my class.

When I am free on Sundays I often go swimming in a swimming pool in Wan Chai, I always go to art classes to learn how to draw and paint beautifully. On Mondays to Fridays after me and my little sister finish doing our homework, we always play computer games, we never play

anything else.

Please write back soon.

Best Wishes,

Isabel
