The Missing Doll

Today I go to the park with my friend, Mason.

I bring a doll. Her name is Lily. Her dress is red. Her shoes are blue. She is lovely like a princess. I also bring a teddy bear. His name is Rabin. His T-shirt is green. His shorts are brown. He is as soft as a pillow. After playing for a while with Mason, I lose my doll. I feel sad.

In the end, I find the doll under the bench. I am very happy. I will be more careful and never lose my toys again.
