A Day in Happy Zoo

Today I see many animals. I have a visit to Happy Zoo with mom and dad.

I can see many animals. There are ten monkeys. They are as brown as chocolate. They are laughing on the tree. There are eight tigers. They are black and orange. They are playing in the cage. They are cute. There are nine lions. They are as yellow as sun. They are sleeping on the grass.

I like the zoo because it is fun and I can see my favorite animals. I feel happy.
