A Day in Happy Fun Zoo

Today is a holiday. I go to the zoo with my brother and my sister.

I can see many animals. There are two tigers. They are orange and black. They have long tails and big eyes. They are on the grass. There are three zebras. They are black and white. They are under a tree. There are two hippos. They are grey. They are playing in the pond.

I like the zoo because it is big and beautiful. I feel very happy.
