A magical day

Mandy is a busy and hard-working individual. She goes to Brownies on Sundays, has piano lessons, and plays tennis on Mondays.

The weather is cloudy and foggy on Monday. Mandy and her best friend, Winnie, go to the park. The park is very beautiful and grand. They bring their own rackets to play. As they are playing tennis, Mandy hits the ball into the fountain. Winnie is very angry at Mandy. She asks, 'Did you hit the ball into the fountain?' Mandy replies sadly, 'Sorry.' Winnie says, 'No problem. Let's think about how to get this ball back.

Then they go near the fountain. Suddenly, a fairy god mother appears and she asks, 'How can I help you?' Mandy says, 'Can you help us to get back the ball, please?' She answers, 'No problem.' The fairy god mother jumps into the water and grabs the ball for the children. They feel tired but happy!
