Dear Tom,

How are you? I'm fine, thank you. I am going to share my favourite festival.

My favourite festival is Thanksgiving. It is in November. It is in autumn. It is as dry as a desert. The weather is also cool. I like eating turkey, share what I'm most thankful for and watch American football.

I like Thanksgiving because I get to have a Thanksgiving meal served with turkey, surrounded by my lovely family.

What about you? What is your favourite festival? Please write back soon.

From,
Mark
