Mandy and her friend in the park

Mandy is a playful brownie. She plays tennis on Thursdays. She plays the piano on Saturdays.

On Sunday afternoon, it is very hot and foggy. Mandy and her friend, Winnie go to the park near the school. They play tennis there. Mandy hits the ball too hard, so it falls into the fountain. 'Sorry, I hit the ball into the fountain,' says Mandy. 'It's okay, but we need to get the ball out of the fountain.' Says Winnie.

They feel worried and shout for help. At last, they get back the ball because Mandy's dad comes and gets the ball out of the fountain. They feel happy and say thank you to Mandy's dad.
