Dear Tom,

Hello! Tom, let me tell you my favorite festival.

My favorite festival is Mid-Autumn Festival. It is on 15th August in lunar calendar. It is in autumn. The weather is cool and dry.

I like going to Victoria Park with friends. We play games and talk. My friends bring lanterns. I also eat moon cakes with my family.

I like Mid-Autumn Festival because I like cool days. On Mid-Autumn Festival I usually wear a sweater. How about your favourite festival? Please write soon.

Love,
Mark
