Queenie is my classmate. She sits next to me. She has big eyes, small ears and a big nose. She is thin. Everyone likes her.

I like Queenie because she is polite. She says 'good morning' to me every day. Queenie is helpful too. She always helps me with my homework. She is as helpful as a robot.

Queenie's favourite subject is Maths. She is good at doing sums. She can draw. She plays games in her free time.

A good friend is like a four-leaf Clover. I am glad Queenie is my classmate.
