My classmate

Rafael is my classmate. He sits on my left. He is tall and thin. His eyes are big and his nose is small.

I like Rafael because he is kind. He does not shout at me or laugh at me. Rafael is hard-working too. He is as hardworking as an ant.

Rafael's favorite subject is Math. He is good at doing sums. He goes to the piano class and drawing class at weekends.

I'm glad Rafael is my classmate.
